

Edit Project Schedule in Project Professional

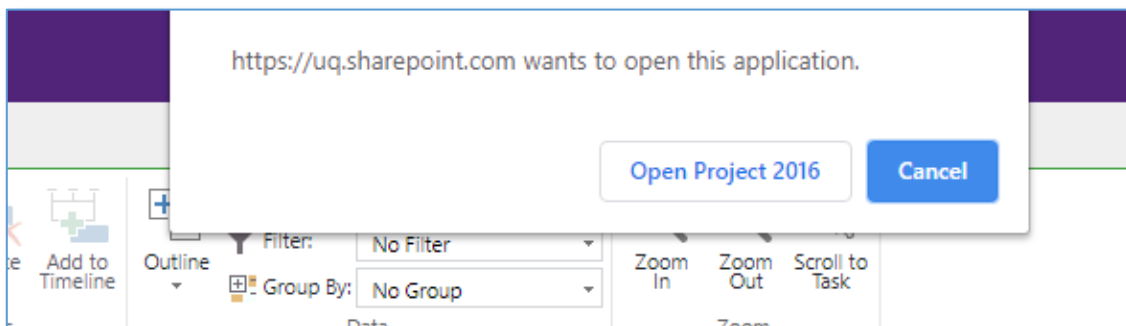

Before you can edit your project in Project Professional, you will need to connect to the ProTRAC PWA first.

Refer to the [Connect ProTRAC to Project Professional Quick Reference Guide](#) for instructions. Contact the [PGO](#) for assistance.

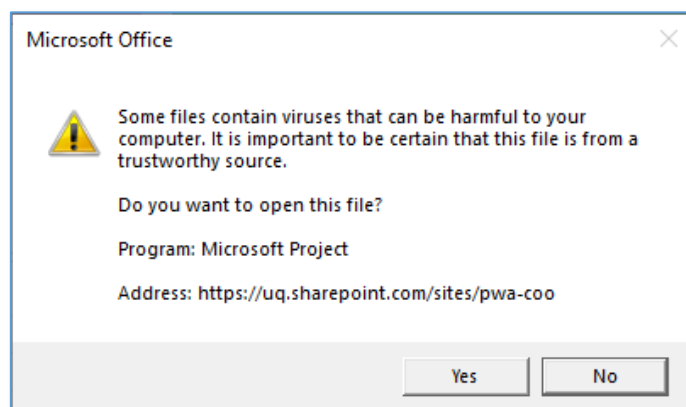

1. From PWA (ProTRAC) Schedule, click **Edit > In Microsoft Project**

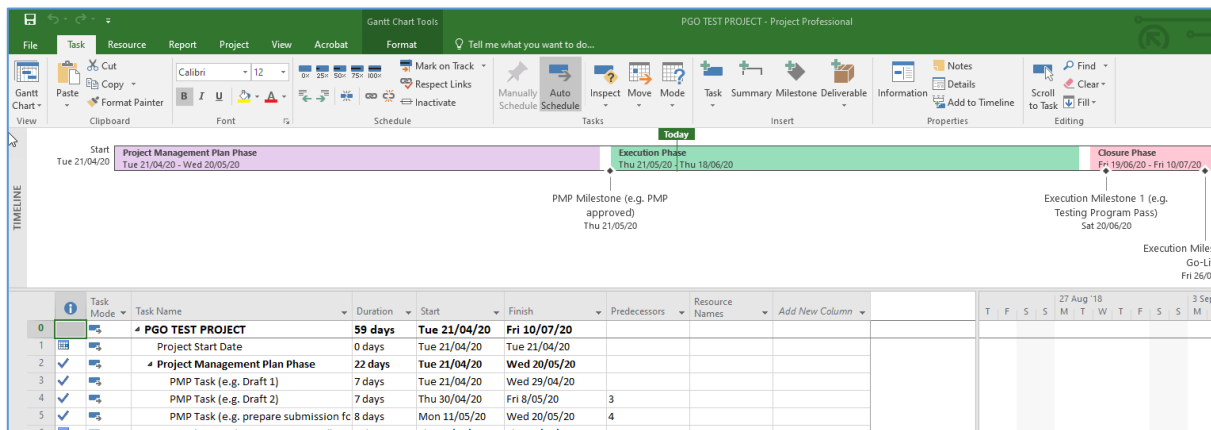

2. Browser should then prompt you to open the application. Click **Open Project 2016**

3. You may be prompted with a security warning from Microsoft Office. **Click Yes.**

4. Schedule will open in Project Professional for editing.

5. Make necessary changes, and to publish, click Info > **Publish**.
