Before you can edit your project in Project Professional, you will need to connect to the ProTRAC PWA first. Refer to the [Connect ProTRAC to Project Professional Quick Reference Guide](#) for instructions. Contact the PGO for assistance.

1. From PWA (ProTRAC) Schedule, click **Edit > In Microsoft Project**

   ![Image](image1.png)

2. Browser should then prompt you to open the application. Click **Open Project 2016**

   ![Image](image2.png)

3. You may be prompted with a security warning from Microsoft Office. Click **Yes**.

   ![Image](image3.png)
4. Schedule will open in Project Professional for editing.

5. Make necessary changes, and to publish, click Info > Publish.
