

STAFF APPLICATION FOR INTERNET ACCESS PERMISSION FOR UNDER 18's

NOTE: For student internet access permission, please visit - <https://identity.uq.edu.au/internet-access>

Commonwealth legislation and internet service provider industry codes require UQ to ensure that internet access accounts are not provided to people under the age of eighteen years without the consent of a parent, teacher or other responsible adult. Responsible adults other than a parent or guardian, such as a supervisor, will only be accepted in exceptional circumstances and must be authorised by the Chief Information Officer.

Further details are available at: <http://www.commsalliance.com.au/Activities/ispi>

To receive full access to the Internet, if you are under the age of eighteen, please complete this application and follow the directions below.

Internet accounts are offered to staff and students of the University of Queensland for work associated with learning, teaching, research and administration, and are bound by the University of Queensland's Internet Code of Practice.

For information on how to supervise use of the Internet and how to protect people from offensive material on the Internet, please consult <https://esafety.gov.au/>.
